

Trekking Experiences

BARILOCHE, ARGENTINA

Full Day Kayak & Hiking (10hs)

Season: Sep to Apr

Today enjoy a full day hiking and kayaking in Nahuel Huapi National Park. Explore and enjoy the views and landscapes of Nahuel Huapi Lake and Moreno Lake while paddling, knowing its coasts and hidden bays where most people have no access.

After lunch, you will do some hiking. Walk up to the viewpoints of Tristeza Branch and its incredible panoramic points discovering most of Nahuel Huapi Lake, its islands, neighboring hills and at the back the magnificent Tronador Mount, with its glaciers and endless snow of the Andes before starting the hike back down.

Trekking Peninsula Llao Llao Circuit (6hs)

Season: Oct to Jun

Walk the Llao Llao Municipal Park circuit immersed in an ancient forest and visit several interesting places including a unique Arrayan (*Luma apiculata*) little forest, the Moreno Lake and Nahuel Huapi Lake. Then ascend to the summit of a hill to enjoy amazing views. Enjoy a boxed-lunch in a scenic setting.

Trekking Peninsula Cerro Lopez (9hs)

Season: Oct to Jun

A highly recommended experience, this trekking will reward you with exhilarating views of Monte Tronador (11500 ft.), Nahuel Huapi Lake, Moreno Lake, the grandiose Hotel Llao Llao, and the impression of being able to touch the sky.

Trekking Mount Bella Vista (7hs)

Season: Nov to May

This 5600 ft. mountain, located between Cerro Catedral and Moreno Lake, is aptly named for its beautiful views. Cerro Bella Vista has a peak of easy (technically easy) access which combines a hike through mountain forest and a final section through a wide and colorful ridge.

Trekking Refugio Frey by the ridge, the traverse of Mt. Catedral (10hs)

Season: Dec to Apr

This hike through mountain trails and ridges will reveal spectacular views of Nahuel Huapi Lake and Gutierrez Lake, Tronador Mount and many other mountains and valleys of great splendor. Within three hours of hiking through rocky terrain and few uphill sections arrive at Hut Frey Mountain 5600 ft. The surroundings of “Frey” are a rock climber’s paradise, a magnificent scene rich in granite rock formations.

Full Day Estancia Peuma Hue (9hs)

Season: year-round

Peuma Hue offers within its 500 acres of property a large variety of outdoor activities. Located on the Continental Divide Valley with 2 miles of lakeshore and at the foot of the southern end of the Catedral Range, its varied terrain offers different options of beautiful and majestic scenery throughout its several hiking and riding trails. Our trails adapt to different levels of expertise and skills. Our gourmet cuisine is renowned for being not only delicious but healthy and balanced, based on our home-made products and our organic vegetable garden.

EL CALAFATE, ARGENTINA

Full Day Perito Moreno Mini Trekking (1h 40m on the Glacier) (9hs)

Season: Aug to May | only for people between 10-65 years-old

Enjoy a full day Mini-Trekking program to the most beautiful glacier of Glaciers National Park: the Perito Moreno Glacier. It originates at the Continental Ice field and descends through colossal mountains, to penetrate into the waters of Argentino Lake. This unique landscape is framed by the greenest of forests, and the most colorful flowers. The exclusive glacier excursion will allow you to devote all the time you want to explore this incredible place.

Full Day Perito Moreno Big Ice Trek (3 ½ hs on the Glacier) (12hs)

Season: Sep 15th to Apr | only for people between 18-50 years-old

Enjoy the full day Big Ice Trekking program at Perito Moreno, one of the most spectacular ice hikes in the world. This expedition to the heart of Perito Moreno Glacier is an experience not-to-be-missed.

Hike along the glacier learning the “ways of the ice”, exploring the glacier’s blue lagoons, deep crevices, and magical ice caves where everything turns blue. Amaze yourself with the breath-taking views of this immense plateau of ice.

Full Day Estancia Cristina Classic Program (13hs)

Season: Oct 1st to Apr 30th

Enjoy a full day excursion to the Upsala Glacier and Estancia Cristina (Classic Program), a unique spot in Los Glaciers National Park. Highlights of this fascinating day include impressive sailing through the Argentino Lake surrounded by the most amazing light blue colored icebergs, and a historical visit to an old Patagonian farm.
