Full Day Estancia Candelaria del Monte (10hs)

Season: Oct to May

Enjoy a country day in the picturesque Argentinean Pampas and its beautiful grasslands. Set within spacious grounds featuring centenary old Sycamores, Elms and Pines, Candelaria del Monte is a charming, family owned estancia and working ranch that dates back to the 1830 -and it feels like it- it's incredibly quiet here, seemingly disconnected from the modern world.

Hop up on one of the estancia's rugged Criollo horses for a guided ride across the property - you can even help the ranch-hands herd cows if you're really in the mood. The country day includes activities inside the Estancia (horseback riding, swimming pool, herding cows, cart riding, use of tennis court), use of common facilities, and lunch with wine.
